### WHOLESALE TRADE LIST FALL 1954 AND SPRING 1955

RIEGEL PLANT CO.

EXPERIMENT, GA.

Telephone Griffin, Georgia 6106

#### PERENNIALS

All perennials are strong, healthy field grown plants, divisions and clumps for lining-out, and immediate sales. Every plant is carefully selected, and our count is very liberal.

#### CHRYSANTHEMUMS

##### KRISTINA

This is a beautiful brilliant rose color resembling a daisy and has a yellow center with blooms up to 3 inches in diameter. 100—\$6.00

#### SHASTA DAISIES

##### MARK RIEGEL

We believe this is the most prolific of all Shasta Daisies. 3 to 4 inch flowers. Seems to stand the dry weather better than any other variety. Doz. \$4.00—100/\$30.00

##### MAJESTIC

Considered one of the best cut flower varieties on the market and has up to 5 inch blossoms which are long lasting. Doz. \$4.00—100/\$30.00

## MAYFIELD GRANT

Riegel's Improved 36 inch. This daisy is a giant especially in plant. The blossoms are good sized considering the quantity it produces. It is a real hardy type, resistant to the cold and heat. The stock we are offering of this variety is Riegel's Special Selected, all originating from one pedigree plant. You will find no variation — every plant is alike and uniform. Note—Feb., March and April delivery best.

Doz. \$3.00—100/\$15.00

(Stout) A fine pale yellow with a green throat, good evenings and sun proof. An excellent substitute for Hyperion.

Doz. \$2.50—100/\$15.00

### PEACH BLUSH

It is a peachy yellow with faint eyezone of pink. Up to 7 inch blooms with many branches and blooms. Sun proof and lovely. Evergreen. Doz. \$8.00

### PINK CHARM

(Nesmith) Beautiful open flowers with very recurving petals and sepals of soft ocher-red giving the effect of a deeply colored coral pink lily. The center is a star of light Cadimum. Doz. \$5.00—100/\$35.00

### PURPLE WATERS

(Russell) Wide ruffled petals, open full to a lovely shade of rich wine. Flowers are recurved. Each petal and sepal having a prominent almost white midrib. Early bloomer. One of the longest to bloom and very vigorous. Doz. \$3.00—100/\$20.00

### RAJAH

(Stout) Large English red, with conspicuous eye zone, and pale orange throat. A fine one. Doz. \$2.50—100/\$15.00

### REGAL LADY

(Nesmith) Large flowers with deep rose petals blending into a deeper rose zone bordering the pale yellow cup. The cream sepals are faintly flushed with rose giving the effect of a fine bicolor. Doz. \$6.00

### ROSE STAR

Well named, rose color with mahogany eye and canary throat. Worlds of bloom for a long time Doz. \$5.00

### RUBELENE

Rosy red with undertone of rich orange, recurved petals, canary throat, tall and most prolific. Doz. \$4.00—100/\$30.00

### SAMSON

(Emigholz) Very large deep yellow, flushed ox-blood red, A grand bloomer. Doz. \$7.00

### SEMINOLE CHIEF

(Lester) This bright almost cherry red bloomed first in 1940. Well branched with many blooms which give it a long season. We have heard of it having up to 48 blooms to the scape. Doz. \$4.00—100/\$25.00

### SKYRIDER

A bright yellow with outer half of petals a rosy mahogany, tall and very striking Doz. \$3.00—100/\$22.00

### SPAULDING

Two tone, dusty rose petals, sepals yellow edged with rose, canary throat, tall and fast multiplying. Doz. \$4.00—100/\$25.00

### SPITFIRE

(Russell) The petals and sepals are of a fiery red with mid-rib. The throat is yellow. The blooms are not real large but the plant is ablaze with profusion most all the early Spring and Midsummer. Fully opens, wide petals, and keeps well. Doz. \$5.00

### STARLIGHT

Fine light yellow, slightly ruffled, opens evenings and following day Doz. \$6.00

### THE DIRECTOR

(Russell) The color is a rich shade of wine-red veined Burgundy, the sepals are a shade lighter. The petals are recurved and the sepals are fully ruffled and crinkled like crepe paper. Doz. \$4.00

Please adhere to minimum quantities

## VULCAN

(Stout) Deep red with orange throat, medium size.

Doz. \$5.00

## WELAKA

Mandarin orange flushed with rose, medium size, very striking.

Doz. \$5.00—100/\$30.00

## WARSAW

(Russell) Almost everblooming deep mahogany red.

Doz. \$4.00—100/\$25.00

## WAR PATH

(Russell) very rich bright red, opens full with a satiny sheen. This is a real beauty

Doz. \$4.00—100/\$25.00

## WHEELER HALO

(Wheeler) This is a beauty that blooms in the evening, a rich yellow with a cinnamon halo. It is triangular shaped.

Doz. \$6.00

## MIXED

We offer a good selection, which we are sure will please your customers including newer varieties, not just the older ones.

Doz. \$3.00—100/\$15.00

Special wholesale offer of *Homerocallis* for those who are not interested in named varieties but just color. These are certain to make you a nice profit.

Shades of Red	100/\$15.00—1000/\$100.00
Shades of Yellow	100/\$15.00—1000/\$100.00
Other shades and Bi-colors	100/\$15.00—1000/\$100.00
General Mixture of the above	100/\$15.00—1000/\$80.00

(Contains at least 6 varieties)

## IRIS

We only list two varieties; but these have been selected due to the fact that they are Spring blooming. Some even repeat bloom again in the Fall.

INDIAN CHIEF — violet red in color	100 \$10.00
GOLDEN CATARACT — Bright yellow	\$10.00

## THANKS

Let everlasting thanks be thine!  
For such a bright display,  
As makes a world of darkness shine  
With beams of heav'nly day.

William Cowper

## LIRIOPE

(Sometime listed as *Ophiopogon* or *Mondo*)

We are very proud of our fine stock of this fine border plant. The three varieties we have listed are the result of many years of extensive selection to get the best and most hardy. We believe *Liriope* to be the most valuable border plant growing. It has so many good points that it fills the bill for an easily grown dependable border subject. It will grow right up against a large tree in dense shade as well as in the full sun. It is indifferent as to soils but likely prefers a soil on the acid side for maximum growth. Hardy to New York. In past years we have not been able to fill the demand; but we can now.

**MAJESTIC MUSCARI** — The best broad leafed variety. Has beautiful violet colored, coxcomb-shaped spikes in the summer, that stand above the dark green foliage, and last a long time. The blooms are excellent as cut flowers. In planting a border hedge they should be planted about 15 inches apart; but they also make nice specimen plants alone.

	Doz.	100	1000
Divisions	\$3.00	\$12.00	\$100.00
Clumps	7.00	50.00	

Note: Don't confuse the quality of our Liriop divisions with the average stock usually shipped. You will find our stock much larger and stronger and suitable for immediate use in landscaping jobs etc. Also our clumps are at least 2 years old and have many divisions.

**RIEGELS BORDER GEM** — This is a real gem. Grows only 8 to 10 inches high, round and symmetrical. Medium wide leaves of dark olive green. Violet colored flower spikes in summer. We advise planting 10 inches apart for a nice border. Grows quickly and stays within bounds. It is unexcelled as a border for beds and foundation plantings.

	Doz.	100	1000
Divisions	\$1.50	\$8.00	\$60.00
Clumps	5.00	40.00	

Note: This variety will grow faster and make half again as many divisions.

**MUSCARI EXIFLORA—BIG BLUE**—The old well known variety. Broad leaves, tall growing, single lavender spikes in midsummer. Good grower reliable.

	Doz.	100	1000
Divisions	\$2.00	\$10.00	\$80.00
Clumps	7.00	50.00	

### **RED HOT POKER (Tritoma)**

Martins Early Variety is the best of all Tritoma we have tested. In early summer they grow up stiff sturdy stemmed spikes of long bright yellowish red blooms. Large field-grown divisions of blooming size. Hardy throughout the United States. Giant stock.

Doz. \$3.00—100/\$20.00—1000/\$150.00

## **HIBISCUS MALLOWS**

**HENDERSON'S GIANT HYBRID MALLOWS:** These magnificent flowers are the work of the noted hybridizer, William Henderson of California. They can be grown anywhere in the United States, from coast to coast, and from Florida to Canada. They are easy to grow and thrive in sun and in any any soil. The blooms are immense in size and average from 8 inches in diameter up, in shades of bright red, pink and white. They are grand in parks and in general landscape plantings. Plants are shipped when dormant during Nov., Dec., Jan., Feb., March and April. They are herbaceous, meaning they die to the ground in the winter. All the plants are of blooming size.

	Doz.	100	1000
Liners	\$2.00	\$10.00	\$60.00
Heavy	4.00	20.00	150.00

## **GOD'S GIFT**

O glorious springtime, lovely flowers  
Singing birds, refreshing showers,  
Soft tender grass in every nook—  
Swift flowering stream and babbling brook;  
Cool, deep shade of stalwart trees,  
Myriad leaves that whisper in the breeze  
We join the bird, the brook, the leaves—  
In praising God for gifts like these.

Verda Cox.

## NAMED VARIETIES HENDERSONS GIANT HYBRID MALLOW HIBISCUS

\$2.00 Each

**CLOWN.** Flesh pink over ivory white. Dark red eye. Tips of petals are deep rose. Well named 9 inch flowers.

**SUPER ROSE.** Beautiful Satin pink. Small burgundy red center. Showy 10 inch blooms.

**BRILLIANT CERISE.** An outstanding red that is a show with its hugh 10 inch blossoms. Good grower and very prolific.

**WHITE BEAUTY.** Snowy white with a red eye. The blooms are very large i. e., at least 10 inches in diameter.

## RIEGEL'S HYBRID HIBISCUS

(A hybrid between Hendersons giant and Red Glory Hibiscus coccineus)

This fine hybrid has resulted in the greatest possible range of colors. The blooms are not as large as the Henderson Giant but range from 5 inches to over 6 inches in diameter. There are remarkable shades of pink, salmon, and red with no whites.

	Doz.	100
Light liners	\$3.00	\$25.00
Very heavy	5.00	35.00

## HYDRANGEA

(H. Macrophylla or better known as H. Hortensis)

This variety is very unusual in that it is a continuous bloomer during the summer season. It is deciduous. The blooms are blue in acid soil but can be made pink by adding lime. They are very large and most beautiful. We are offering this fine hardy plant for the first time this season.

1 year rooted cuttings	\$3.00	\$25.00
Blooming size		

## SHRUBS AND TREES

### ALTHEA

(Hibiscus Syriacus)

The althea varieties we offer are not just ordinary. altheas. We have selected our varieties for excellence of bloom and beauty of color. When in bloom they sell themselves and all our plants are of blooming size.

**EFFIE RIEGEL** The last word in a large double white. A mass of snowy 3 to 4 inch blooms that last a long time.

		Doz.	100
Liners	6—12"	—	10.00
	12—18"	2.00	15.00
	18—24"	2.50	20.00
Field grown Specimens	3—4'	3.50	35.00
	4—5'	4.50	40.00

**KREIDER BLUE** A beautiful double blue which is very different from the usual blue althea. It has large 3 to 4 inch blooms.

		Doz.	100
Liners	6—12"	—	10.00
	12—18"	2.00	15.00
	18—24"	2.50	20.00

**PINK DELIGHT** A beautiful double light flesh pink, up to 4 inches in diameter, an excellent bloomer.

		Doz.	100
Liners	6—12"	—	10.00
	12—18"	2.00	15.00
	18—24"	2.50	20.00
Specimen	3—4'	3.50	35.00

**COLIE MULLINS** A fully double wine red. Fine to plant with the above varieties for beautiful contrast.

		Doz.	100
Liners	6—12"	—	10.00
	12—18"	2.00	15.00

## BIRD OF PARADISE

(*Ponciana Gillessi*)

An upright loose growing shrub with fern like foliage and clusters of light yellow flowers with long stamens of brilliant red. They are hardy up to and including Tenn and thrive in rather dry soil. If killed back to the ground by freezing cold it sprouts up in the spring and is soon blooming again.

		Doz.	100
Liners	18—24"	3.00	20.00
	24—36"	4.00	30.00
	36—46"	5.00	40.00

Note: All these fine plants are branched and of blooming size.

## CHASTE TREE

(*Vitex Macrophylla*)

Valuable large shrub with handsome aromatic foliage. Lilac blue flowers in late spring very much like a butterfly bush. Persistent bloomer till frost. These are all well branched.

		Doz.	100
	24—36"	3.00	20.00
	36—48" up	4.00	30.00

## CHERRY LAUREL (*Laurocerasus Caroliniana*)

A beautiful evergreen shrub or small tree widely used for tall hedges and for landscaping work where small trees are required. Can be shaped into any shape.

Our plants are the best we have had in years.

Liners	6—12"	7.50
	12—18 or better	10.00

## CHINESE PARASOL TREE (*Firmiana Simplex*)

A deciduous tree that attains good size 30 to 40 feet when fully grown. It has large leaves up to one foot across that resemble those of the Sycamore. It is a native of China and Japan. It is sometimes called Phoenix Tree. A grand tree.

	each	doz.
5—6'	1.50	15.00
6—8'	2.00	18.50

Please adhere to minimum quantities

## CLEODENDRON TRICOTOMUM

Sometimes called Glorybower. A Japanese tall shrub or small tree with large soft leaves. It is conspicuous in late summer with loose clusters of fragrant white star shaped flowers about an inch and one half in diameter set off by red calyxes. The latter persist and make a pleasing contrast with the bright blue fruits. Hardy in the North. NOTE: We believe that this plant should be used in place of dogwood. It is more hardy and will stand sun or shade, dry soil or damp, making it more versatile for landscaping.

Liners	Doz.	100
24—26"	—	35.00
36—48"	—	45.00

We also have specimen trees which we can ship bare root.

3'	1.50	10.00
4'	2.00	15.00
5'	2.50	20.00
6'	3.00	25.00

We offer perfect well branched specimen trees as follows:

8—10'	5.00	50.00
(at Nursery only)		

## DOGWOOD (Cornus Florida)

The loveliest of all native American trees. Graceful symmetrical grower equally at home in the sun or partial shade, and has bright red berries late in the Fall.

	Doz.
18—24"	10.00
24—36"	12.50

## CREPEMYRTLE WILLIAM TOOVEY

(*Lagerstroemia indica*)

The finest of all the Crapemyrtles, neat compact growth, and produces a solid mass of watermelon red flowers.

3—4' branched	10.00 doz.
---------------	------------

## FLOWERING QUINCE

(*Cydonia*)

This is a very hardy shrub bearing pink to red flowers in early Spring and sometimes has a small fragrant fruit.

	Doz.
18—24" branched	7.50

## FORSYTHIA

An extremely good bloomer with pale yellow flowers completely covering the branches in Spring.

	Doz.
2 Year 3—4'	5.00

## MIRACLE FIG

This is our own introduction and we haven't been able to offer this fine producer since the cold spell of Nov. 1950. It is a very fast grower and produces figs of excellent table variety as big as a peach.

	Doz.
2 Yr. plants	\$12.00

## KENTUCKY COFFEE TREE

(*Gymnocladus Dioica*)

A fast growing, tall tree with large compound leaves, and greenish white flowers in large clusters borne at the ends of the branches, followed with thick curved reddish pods with large seeds. Much used in large plantings. Hardy almost everywhere in the U. S.

	Doz.
18 to 24 in.	\$5.00

## MOUNTAIN FLEECE FLOWER (Polygonum)

This is a beautiful perennial herb shrub which is covered with rosy fleece like flowers.

1 yr. plants                      \$6.00 Doz.

## MAPLE TREES (Acer)

**SCARLET MAPLE** (Acer Rubrum) Showy crimson seed pods in early Spring and brilliant red foliage in the fall. (This is not to be confused with the dwarf Japanese Maple).

**SILVER MAPLE** (Acer Dasycarpum)

	Doz.	100
Branched 3—4'	\$4.50	\$35.00
Branched 4—6'	7.50	50.00

## RED BUD (Cercis Canadensis)

This is the American Red Bud which has a profusion of rose pink showy flowers in the Spring before the broad beautiful leaves unfold. Sometimes called Judas tree.

	Doz.	100
Branched 3—4'	6.50	60.00
Branched 4—6'	8.50	80.00

## MIMOSA or SILK TREE (Albizzia Juliabrissen)

One of our most beautiful, medium sized, flowering trees. Has light green fern like foliage, fragrant pink powder puff blossoms that literally cover the arching branches in early summer and last a long time. Easily transplanted. Hardy to Philadelphia.

VINES

VINES

VINES

VINES

## BIGNONIA

## Chinese Trumpet Vine

This plant is easily one of our most handsome deciduous climbers, nice for porches, walls, and fences. It is a moderate grower and does not get out of bounds. It is hard to beat for its great show of large terminal sprays of funnel shaped flowers of deep orange, turning to salmon, suffused at the tips with red. Blooms for many weeks in May and at intervals through the entire summer.

2 yr. nursery grown

\$6.00 doz.

BITTERSWEET (*Celastrus Scandens*)

Bright fruits persist through the winter which make them excellent for winter color. They are useful to cover walls and fences or for trellis work.

2 yr. nursery grown

\$6.00 doz.

## PURPLE LEAF HONEYSUCKLE

(*Lonicera Japonica Purpurea*)

We have been growing this beautiful Honeysuckle for a number of years. It is not a rank grower like the wild Hall's Honeysuckle which often becomes a pest. It is evergreen with dark green leaves which take on a purple hue in winter time. The blossoms are yellow and white with pink shading on the outside. By pruning it can be trimmed into a fine dwarf compact shrub.

	Doz.	100
1 yr. nursery grown	\$3.50	\$25.00
2 yr. nursery grown	6.00	45.00

These plants are all bushy and well formed suitable for immediate landscape work.

Balled and canned plants, SHRUBS, AND TREES FOR IMMEDIATE SALES YARD DISPLAY OR LANDSCAPING.

We invite your inspection, our nursery is located just North of Griffin, Georgia, 40 miles below Atlanta on U. S. Route 41. It would pay you to come by and inspect these fine plants.
